CHAPTER 1: DECISIVE DAY

TRIPEACE 1

STEP

FINALLY
!!!

A TOWN!
After days of solitary wandering, without knowing where I was heading...
And without even knowing who I was...
I've finally managed to find civiliza-tion!
Let's go!
Okay!
Hey... Look!
yeah... I saw him...

Anyway...
I'd like to know...
What are you doing?

He noticed us?!
ARGH!
Take that!

SORRY!
SORRY!

It's okay!
Bleeding...
I'm fine, don't worry!

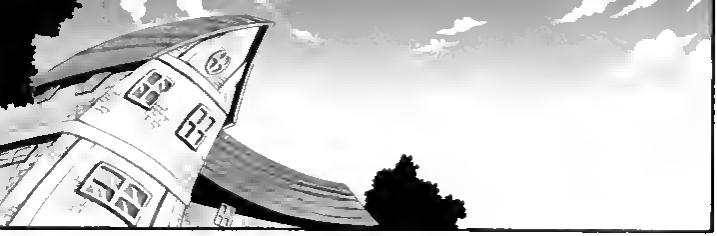
I bought this coat from a traveling merchant.
WHEN WE SAW YOUR CLOTHES, WE THOUGHT YOU WERE FROM XVECE!
WE DIDN'T KNOW THAT YOU WERE JUST A SIMPLE TRAVELER!

By the way, I'm Ichika and I'm the eldest!
I'm Nil...
Her little brother ...
Hm
What is it?
?
This thing...
What is it?
Huh?
Hey!
Oh...
Is that where we push?
Click
NO OO !!

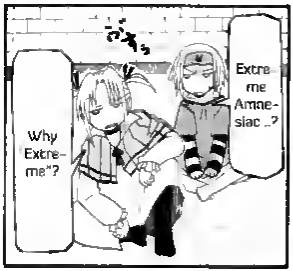
WHAT ARE YOU DOING, YOU MORON?!
?

Oops...
I'm Sorry!

I'm Really Sorry
DID YOU THINK THAT YOU COULD JUST MAKE UP EXCUSES? HUH?!
WHERE THE HECK DO YOU COME FROM? HOW CAN YOU NOT RECOGNIZE A SHOTGUN?!
WHAT ARE YOU GOING TO DO ABOUT THE WINDOW YOU JUST BLEW UP, HUH?



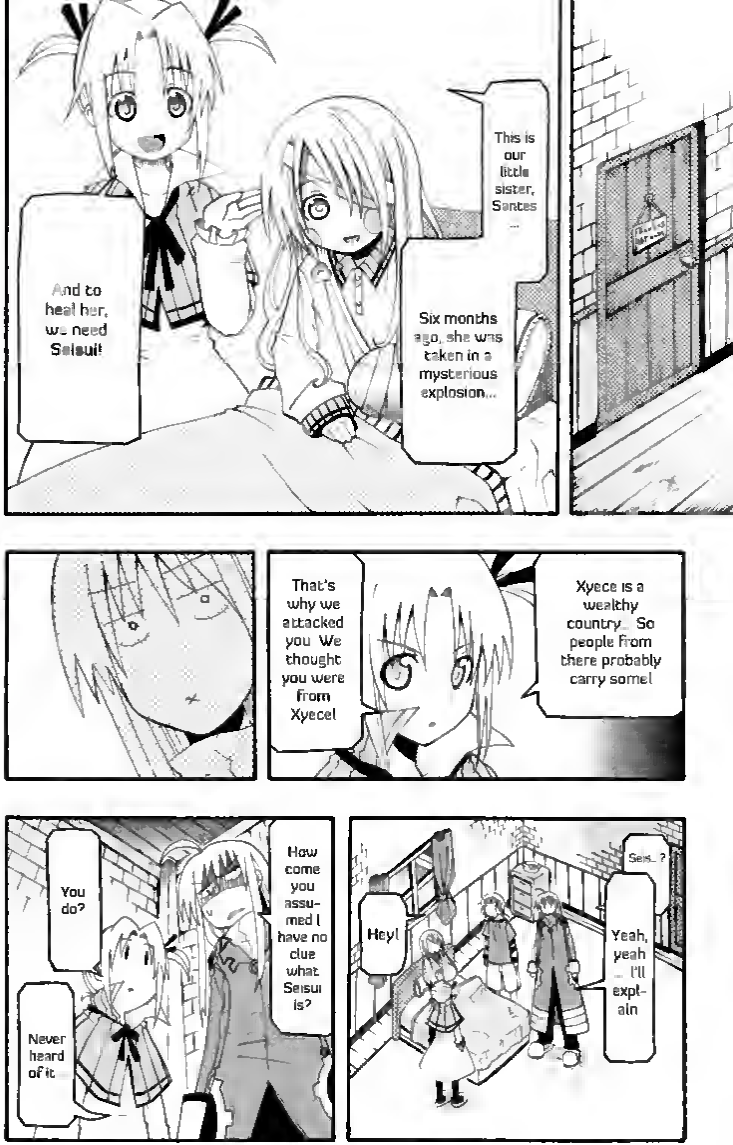
EXTREME-AMNESIAC...



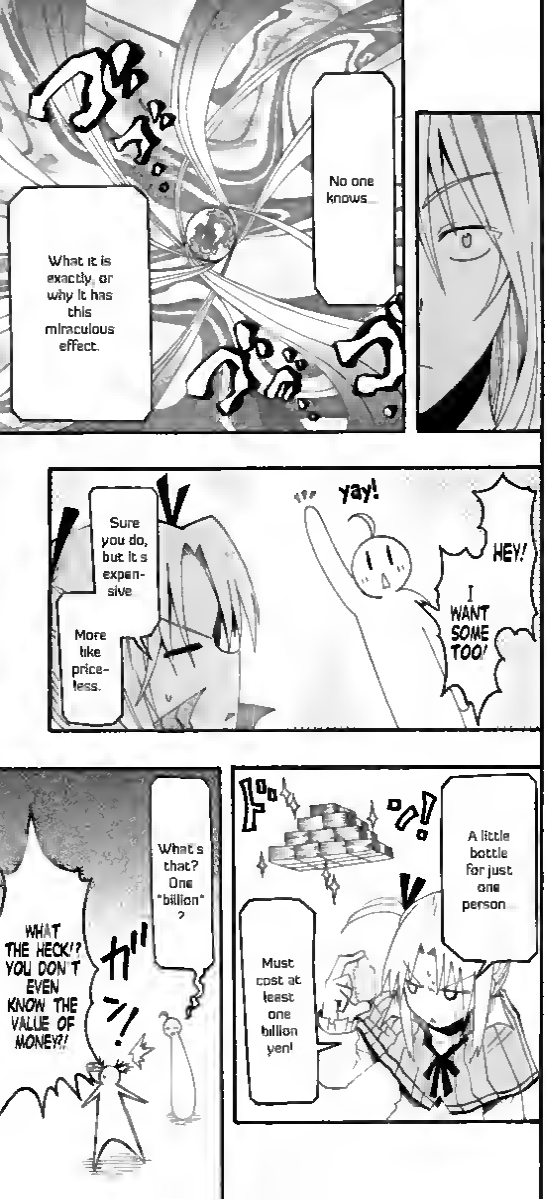
I don't know anything!
To summarize... I've forgotten everything! Who am I? Where am I? What is this? What is that?
A total good for nothing then...
In my case
The memory loss is complete and applies for everything!
Huh?
You don't even know your name?
So...
Yeah...
ずずーーーん
That's the name...
I have chosen.
Nana!

Nana... what a beautiful name! I'm Ichika. I'm the eldest...
Too late you've been exposed old hag!
He's actually really cute!
wow... who is this guy!?
OUCH!
ARGH!

You'll be fine...
Why did you attack me earlier...?
I'll explain...
By the way



This is our little sister, Santes...
Six months ago, she was taken in a mysterious explosion...
And to heal her, we need Seisui!
Xyece is a wealthy country... So people from there probably carry some!
That's why we attacked you. We thought you were from Xyece!
Seis...?
Hey!
Yeah, yeah... I'll explain
How come you assumed I have no clue what Seisui is?
You do?
Never heard of it...



No one knows...
What it is exactly, or why it has this miraculous effect.
yay!
HEY! I WANT SOME TOO!
Sure you do, but it's expensive
More like priceless.
A little bottle for just one person...
Must cost at least one billion yen!
What's that? One "billion"?
WHAT THE HECK!? YOU DON'T EVEN KNOW THE VALUE OF MONEY!!

IT'S A MEDICINE THAT CAN HEAL ANY KIND OF WOUND OR DISEASE INSTANTLY!

To be hone-st.
We don t have enough money to buy it!
Anyway
She won t live for long
If Santas stays like this
To get our hands on some Seisui
That s why we re ready to do any-thing
Waiting for a rich guy from Xyece to arrive so we can steal from him
But...
What are you doing about that?

We have no other choice!
Of course you have.
The best way...
Is to get it yourselves...
Huh?
TAKE IT DIRECTLY FROM THE SOURCE
XYECE!

Here we go!
Xyece, Empire of machines, administration department.
Seisui Storehouse
START OF THE PROJECT "GET THE SEISUI"!
HERE WE GO!
Hmm
Do whatever you want...
I'm staying out of this!
NOOO! WHAT ARE YOU TALKING ABOUT? WE'RE JUST BORROWING IT, RIGHT?!
HEHE! YOU'RE PURE EVIL!

ズン
ズン!

What are we going to do?!
You have a plan?!
Guards. Not surprising. Considering the value of what's inside

No need for that, Ichika...
I have a better idea!
!

Hm... Let's kill them!
キュ!
CALM DOWN!

I... I can't do that!
wait... you want me to use my charm on them?!
Most men ...
Fall for it!
We'll use seduction!
プリティ
プリティー!

I'm done!
So Nii, what do you think?
You're soo hot, Nana...

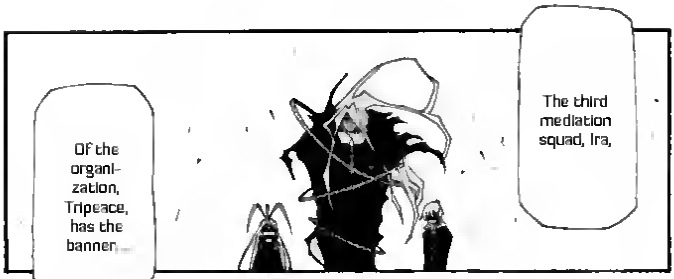
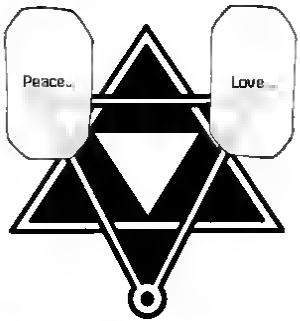
How should we proceed, Belial?
So...
We'll do the usual!
It goes without saying...
.....
Calm down, Shiro... It's your last mission with us,
right?
.....
Got it...

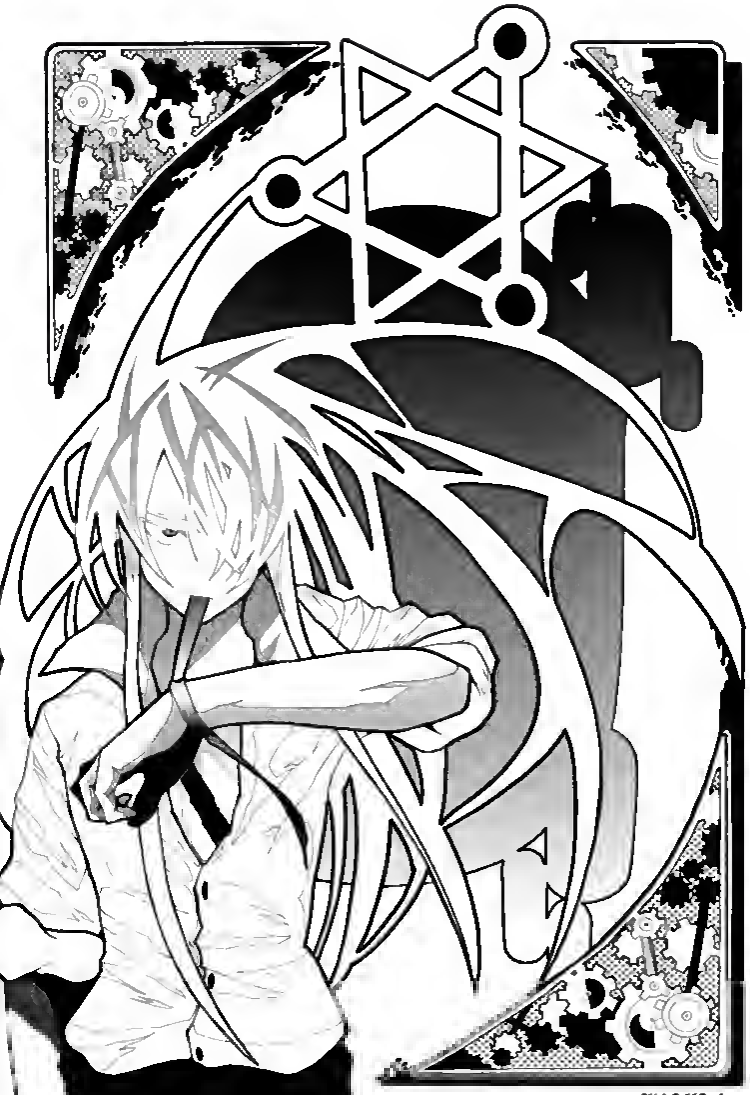


Of the organi-zation, Tripeace, has the banner...
The third mediation squad, Ira,

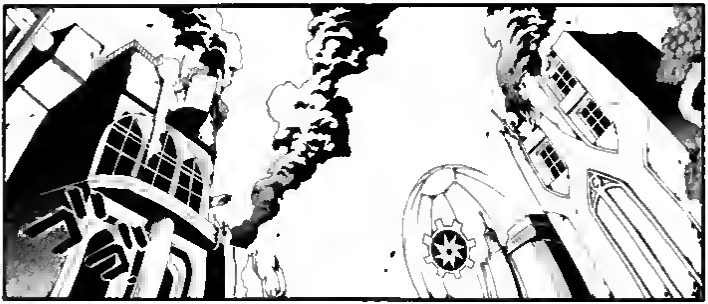


Peace...
Love...

And...
VIOLENCE!



CHAPTER 4:
THE THREE LAWS OF MEDIATION

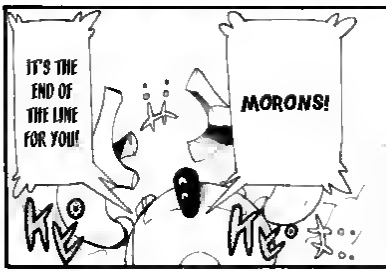


An organization that interfere in wars?
Tripeace?

WE'LL KILL YOU!
HMPH WHOEVER YOU ARE, IF YOU'RE IN THE WAY...
!
.....
DIE!

HA HA!

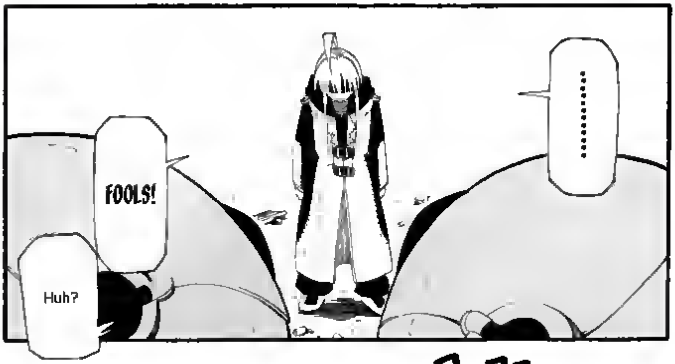
YOU'RE NO MATCH FOR US!



IT'S THE END OF THE LINE FOR YOU!
MORONS!

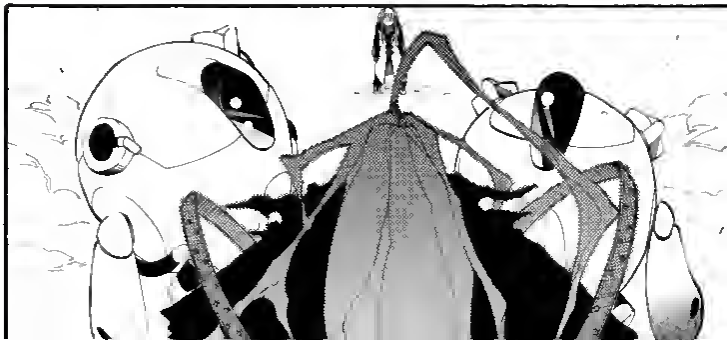
AMAZING

I wouldn't have guessed from your appearance that you'd be so observant!
クルン
Ha ha! It seems like you finally understand the full extent of our power!



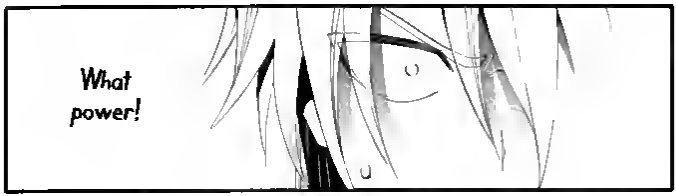
FOOLS!
Huh?
.....

What do you mean?
.....?
ABOUT YOU!
キリ!!
I WASN'T TALKING ...

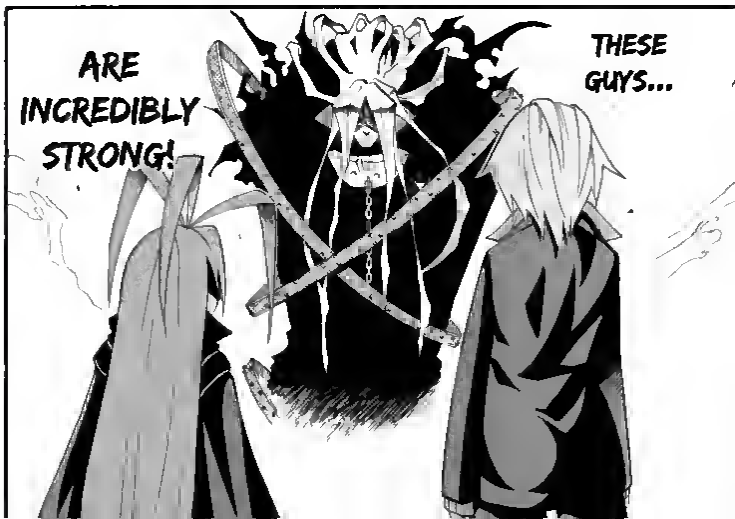


I'M SORRY ...
BUT I'M NOT THE KIND OF PERSON...
!
Damn..
WHO DIES SO EASILY!

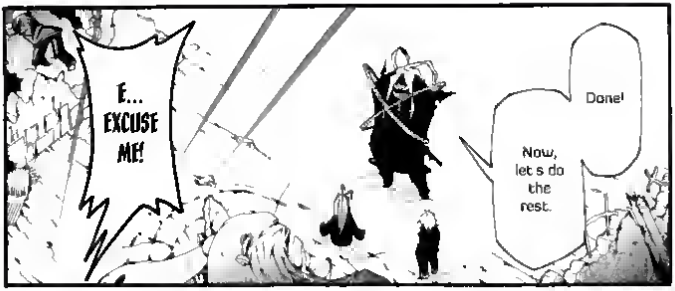
ARGH!
WH



What power!



ARE INCREDIBLY STRONG!
THESE GUYS...



E... EXCUSE ME!
Done!
Now, let's do the rest.

Wait.
Who are you exactly?!

WHAT ARE YOU DOING?
WHAT IS YOUR ROLE?!

We already told you, didn't we? We're the intervention group Tripeace!
YES, BUT WHAT I WANT TO KNOW IS...

Our organization's mission is to bring peace everywhere...
Simply put...
We exist.
Only...
Huh?
ポカン...

To eradicate war from the entire world...
THAT IS OUR GOAL!
THIS CAN'T BE TRUE!

THESE GUYS...
ARE TRYING TO STOP WARS, LIKE ME?!
But I have to admit that unlike me...
Wait, don't get carried away!
They really are...
POWERFUL!

Maybe... They might...
MANAGE IT!
It's only a possibility but...
Those guys..
I want to help them!
I MIGHT BE ABLE TO END ALL WARS!
With them...
Yes...
I really want to help them!

LET ME COME WITH YOU!
I'D LIKE TO BE A PART OF YOUR ORGANI-ZATION!
I...
I...
?
I...
ERADI-CATING WARS FROM THE WORLD!
LIKE YOU, I ALSO DREAM OF...
LET ME COME WITH YOU!
P... PLEASE!
I BEG YOU!

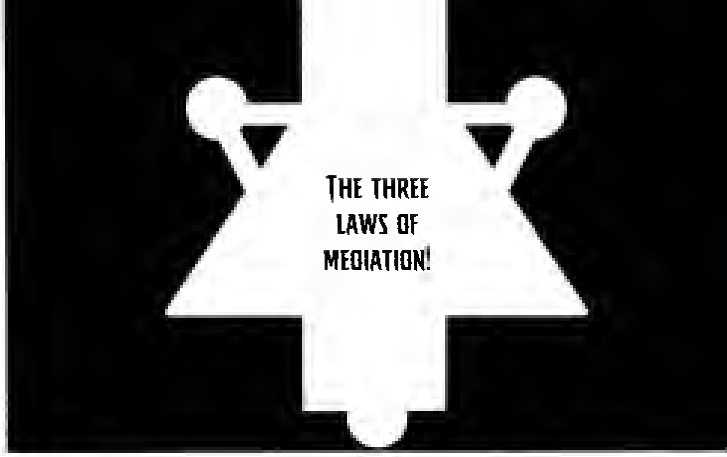
Hmm...
If you want...
NO WAY!
Is that a yes or a no?
What...?
I disagree!
Don't tell me...
You didn't notice ?

This guy totally...
Sucks!
He's too nervous...
Too impulsive..
Besides, he has long hair!
USELESS!
USELESS!
GOOD FOR NOTHING
I don't know why, but... I don't like him!
It's a gut feeling!
You can do it, Nana!
.....
How dare you?!
How

No, no, I'm just stuck..
Are you hurt?
Eh!
ARE YOU LISTENING?!
...Said it was okay!
The giant, here...
LISTEN TO ME!
SHE'S GETTING ON MY NERVES
HEY!
Okay, I'll get you out..
GRR
Ahaha! What's that? Those ridiculous clothes!
You couldn't find anything that fits, you dwarf?
Swoosh
Huh?

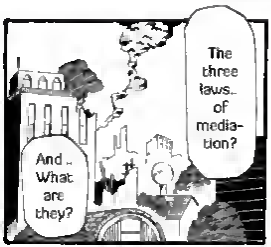
……
You, there
You're safe!
Great!
I don't want to hear you anymore

Sorry...
I went too far...
.....
But.. but...
She's being mean to me!
Don't try to use puppy eyes on me..
Hmm...
I have an idea...
.....?
.....
In our organization, to fight war...
We have a strict principle...
What's that?



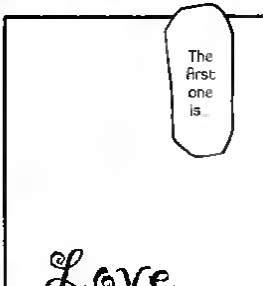
THE THREE LAWS OF MEDIATION!

For instance...
In the case of our squad, Ira..
Those are rules that we set out.
And we use them to guide our actions



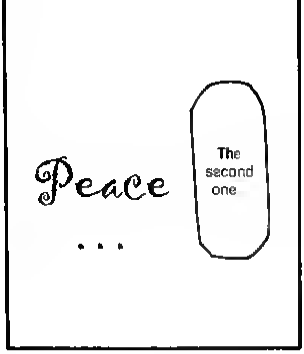
The three laws.. of mediation?
And.. What are they?

Love yourself... and everyone else as well!
In our struggle to eradicate wars,
We must not forget to love!



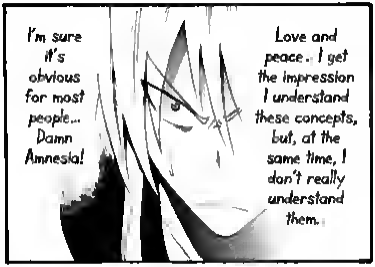
The first one is...
Love...

Moreover, that is what everyone wants!
Peace!
Of course, the opposite of war!
Well not everyone, but those people can go and die!
A world of peace that is what we dream of—



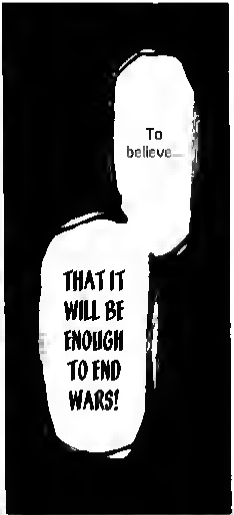
Peace
...
The second one

But we are not so naive—
Love and peace are words that we often hear—



I'm sure it's obvious for most people... Damn Amnesia!
Love and peace... I get the impression I understand these concepts, but, at the same time, I don't really understand them.

!-!
Yes but you talked about three laws—
Indeed— There's one other left—
The last one



To believe—
THAT IT WILL BE ENOUGH TO END WARS!

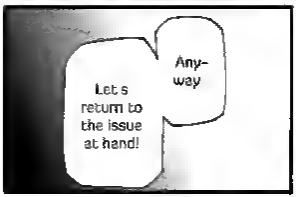
VIOLENCE!
FINE WORDS ...
WILL NEVER BE ENOUGH TO CHANGE THE WORLD!
WITHOUT POWER ...
NEITHER PROTECT ...
WE CAN'T DO ANY-THING!
NOR SAVE ANYONE!
THAT IS WHAT I THINK ...
AND THAT'S HOW THE WORLD WORKS!

THE STRONG ...
EXPLOIT THE WEAK.
NEVER THE OPPO-SITE!
It's also the case
For this country
In short...

That I unleash my violence on the field of battle!
It's for love,
And for peace...
TO STOP WARS!
THIS IS MY WAY...

Vio-
lence,
huh?
Hm?
.....
.....
What?
That being said...
I don't pretend to have found the best answer!
Ah?
Even within Tripeace, people have differing opinions...

Some people prefer to resort to other methods,
To stop wars.

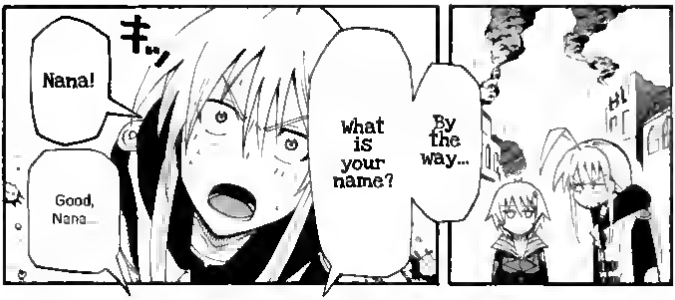


Any-way
Let's return to the issue at hand!

Happe-ns to be here!
.....
Moreover one of them...

Comple-tely!
Well, Shiro disagrees

yes!
You want to join us?



キッ
Nana!
Good, Nana...
What is your name?
By the way...

With your own methods!
From now on...
You should try to contribute to our cause...

LOVE AND PEACE
AS LONG AS THERE ARE WARS, THOSE NOTIONS WILL BE CRUCIAL!
YOUR OBJECTIVE, HENCEFORTH...
WILL BE TO FIND THE MISSING LAW FOR YOURSELF!
FORGE YOURSELF...
YOUR OWN THIRD LAW!!

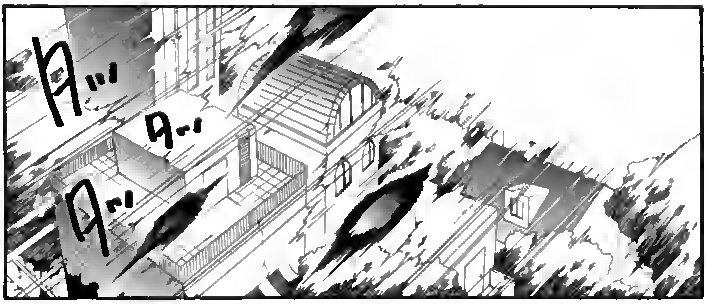
You'll be able to enter our organi-zation!
Does that suit you?
If you manage to find it.
And to quell this conflict...
.....
But still you'll have to manage it yourself...

Enemies within sight!
They sent reinforcements!
!
Oops!
See you, Nana!
Maybe we'll stop this war before you, but...
PERFECT! THEN...
LET'S GET BACK TO WORK!
ALRIGHT!
DO YOUR BEST...
AND ESPECIALLY, TRY NOT TO DIE!

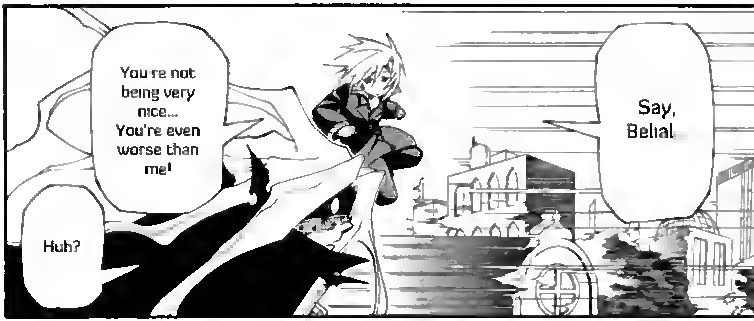
COME ON SHIRO, SAY A WORD TOO!
I HAVE NOTHING TO ADD...

DON'T LOOK AT ME THAT WAY!
THEN ...
They're gone

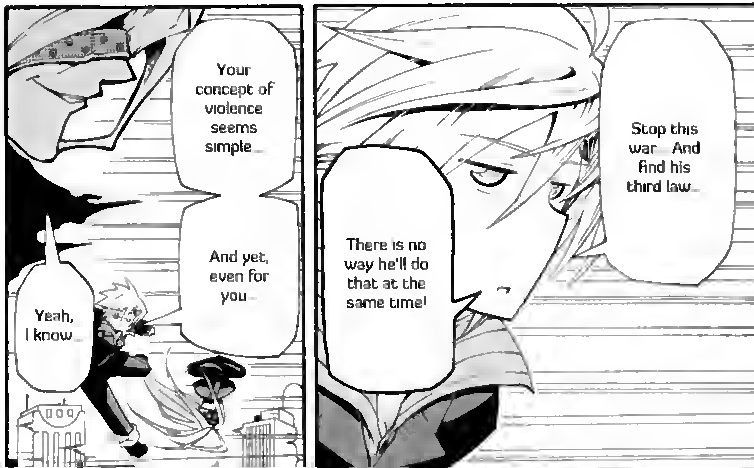
I'LL FORGE A UNIQUE TRIANGLE OF MEDIATION!
AND I'LL FIND MY OWN WAY TO DO IT!
I'LL SHOW HER MY DETERMI-NATION.
DAMMIT, THAT DWARF GETS ON MY NERVES!
...ANOTHER THING!!
I'LL STOP THIS WAR!!
And I'll join Tripeace.
BUT I'LL FIND OUT!
What's the other thing?
I DON'T KNOW, YET...
WITH LOVE, PEACE...
AND...



A...
A...
A...



You're not being very nice... You're even worse than me!
Say, Belial...
Huh?



Your concept of violence seems simple...
And yet, even for you...
Yeah, I know...
Stop this war... And find his third law...
There is no way he'll do that at the same time!

It took me thirty years
TO REACH MY CONCLUSION AND TO ADOPT IT AS MY MOTTO
To dominate others using violence
If you're not strong enough
It requires immeasurable time and power!
You'll just end up with the opposite result!
That confirms my thought...
YOU'RE EVEN WORSE THAN...
I AM...

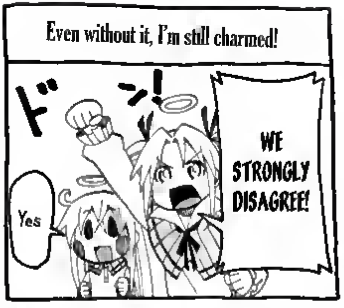
Look, Nana...
It's impossible... You better give up!

Alone, it's a lost fight...
It's better to let those people do it!
I don't know yet what will be my third law...
But I already have a plan!
Huh?

I've found a strategy...
TO STOP THIS WAR!

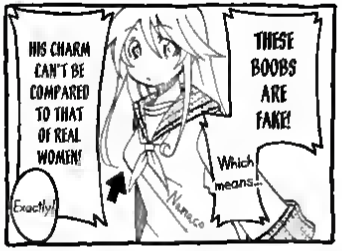
Ouch! It hurts!
Be gentle!
Ha ha ha!
And... Stop laughing! Argh... Ouch!

Having big boobs isn't necessarily a good thing!
Since we're still children!
NO NEED TO BROOD OVER IT!
Absolutely!



Even without it, I'm still charmed!
WE STRONGLY DISAGREE!
Yes

Our chests will explode!
The story
IN TEN OR FIFTEEN YEARS...

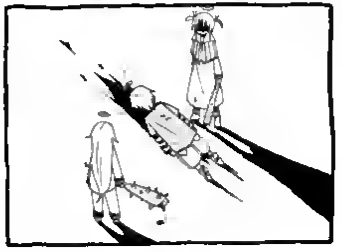


HIS CHARM CAN'T BE COMPARED TO THAT OF REAL WOMEN!
THESE BOOBS ARE FAKE!
Which means...
Exactly!
Namaco

That we're dead!
May I remind you...

Boobs !!!
Maybe... But, anyway, you too don't have any...

Do your best, Nana!
Heaven sure is nice!
Yeah...



I still have to improve as an author...

But I'm determined to progress!

See you in the next volume!

Maru.
